

# Paying for Meals

---

## PRE-PAY for Meals through Mynutrikids.com

You can prepay for meals with a major credit card through the internet with [mynutrikids.com](http://mynutrikids.com).

Please note that when Nutrikids asks for a pin number, the student ID number and the pin number are the same.

You can also view your child's account balance, meal purchases and payment history on the internet, and even be notified by email when the account balance is low, by registering online with Mynutrikids.com. **You do not have to make prepayments to use this feature.** You may also pay into an account for your child with cash or check sent to the school cafeteria.

**If paying with cash,** Submit payment in a regular envelope or yellow envelope that is provided at the cafeteria for your convenience. Write the first and last name of the student along with the grade and teacher's name. The amount of the cash payment should also be written on the outside of the envelope.

**When paying by check,** Write your students first and last name on the check. If you know the student ID number put it on the check too. Submit payment in a regular envelope or yellow envelope that is provided at the cafeteria for your convenience.

**Please** make sure your child has money for lunch every day. If you need to know how much money is on your child's account, you may call (760) 752-1253 or email your request to [rose.howell@smusd.org](mailto:rose.howell@smusd.org). The cafeteria cashier can also tell your child the account balance.

### CHARGE Policy

Child Nutrition Services has a LIMITED charge policy. If a student arrives at school without money, they are allowed up to \$3.75 in charges for high school. Charges are not allowed for a la carte.

If your child arrives at school without money for lunch and has reached the charge limit, he/she will be provided an alternate meal (such as a cheese sandwich and milk). No alternate meal will be provided for breakfast. To prevent your child from having to receive an alternate meal, please ensure that you send money for your student's meals each day, or prepay for the meals in advance.
